

Our Guest this week:

“The reality is, you work for your employees, so set them up for success!”

Luis Rodriguez
Modern Managed IT

MINDSET

- Always do what’s right, while striving to do your best
- Being vulnerable will help you get further, faster
- If you’re the smartest person in the room, you’re in the wrong room
- Be results driven rather than recognition
- You work for your employees

ACTIONS

- Ask for help
- Have a system for hiring
- Join peer groups and hire coaches to help you along the way
- Eliminate habits that no longer serve you
- Acquire and grow your capacity for emotional intelligence
- Have purpose driven meetings often

“It does not have to be lonely at the top!”
